Mr. Paul Strickland, Board President
William S. Hart Union High School District
21515 Centre Pointe Parkway
Santa Clarita, CA 91350-2948

Dear President Strickland:

I am pleased to provide a letter of support for the Albert Einstein Academy for Letters, Arts and Sciences' charter school application. Charter schools increase opportunities for learning, create choices for parents and students and encourage innovative teaching practices. Providing students with an opportunity for a rigorous college preparatory educational experience and an opportunity to learn foreign languages not currently offered in the district can prepare students for greater success in their future.

The Einstein Academy will be an opportunity for community and parental involvement in public education. I look forward to their approval.

Sincerely,

A handwritten signature in blue ink that reads "Mike Antonovich".
