SUPERVISOR, THIRD DISTRICT

February 2, 2010

Mr. Paul Strickland, Board President  
William S. Hart Union High School District  
21515 Centre Pointe Parkway  
Santa Clarita, California 91350

Dear President Strickland:

It is with great pleasure that I extend this letter of support for the Albert Einstein Academy for Letters, Arts and Sciences' charter school application. The Einstein Academy will provide students with the opportunity to have a very rigorous college preparatory education together with a stimulating school environment. The school will offer the type of interdisciplinary educational experience, especially in the language arts, that will afford students the ability to broaden their world views and understanding of a multitude of cultures.

Charter schools increase opportunities for learning and create choices for parents and students alike. This school will put the Hart Unified School District at the forefront of providing students with the type of rich yet unique educational experience that no other public school in the region is currently providing. I encourage you and your board to approve the Einstein Academy's charter application.

Sincerely,

A handwritten signature in black ink, appearing to read "Zev Yaroslavsky", is written over the typed name and title.
